6th Author (Print): _____ **E-Mail :** _____

1. Authorship. Each author should have participated sufficiently in the work to take public responsibility for appropriate portions of the content. Authorship is credited when at least three of the following criteria are met: (1) conception and/or design of the study, (2) collection of the data and/or (3) analysis and interpretation of the data, (4) preparation or critical revision of the manuscript, and (5) approval of the final version of the manuscript.

I certify that I meet the above criteria.
